

COEXIST WITH COYOTES

Discussing the importance of coyotes in suburban ecosystems and how we can best coexist.

Wolf Conservation Center, www.nywolf.org

7-8pm

July 17

**Haverstraw
King's
Daughters
Public Library**

10 West Ramapo Road
Garnerville, NY 10923

Please join Dana Goin, Wildlife Outreach Specialist of the Wolf Conservation Center, for a talk covering the history and ecology of eastern coyotes, and how we can best coexist with these clever canids.

For more information,
please email Dana at
